

KINDERGYM NEWS

WELCOME TO OUR NEW HOME!

Welcome to Term 2 at Prospect and Enfield Kindergym! We are so excited to have you all at our new home at St Philip's Hall and look forward to expanding our club in the future.

The move from Kilburn Community Centre to St Philip's Hall went smoothly. We had a team of staff and volunteers responsible for moving our equipment to St Philip's Hall at the end of Term 1.

Behind the scenes there were many volunteer hours undertaken over the past seven months including researching and visiting potential venues, crunching the numbers, updating promotional items and notifying a long list of suppliers and contacts of our change of address.

A big thanks to the many people who volunteered to do the many tasks including our committee and members **Ali, Jennifer, Cara, Amy, Karin, Sarah, Jelona, Mel, Angela, Matt, Leanne, Liz, Leela** and partners, grandparents and other kindergym friends.

A special mention to **Ali, Jennifer, Cara and Amy** from the Volunteer Management Committee and **Angie** for giving up large amounts of their personal time and to our staff members **Karina and Steph** for their input and time with the moving decision, assisting with the move and setting up at our new venue.

In other activities **Karina and Angie** represented both Gymnastics SA/Kindergym SA and Prospect & Enfield Kindergym at the recent Adelaide Pregnancy Baby & Children's Expo. We have also been busy applying for grants and arranging some new promotional items.

A big thank you to **City of Prospect** for kindly donating several items of furniture to us. We look forward to continue to work with them now that we have moved into the council area.

Our AGM is going to be held on Tuesday 15 May 2018 at St Philip's Hall - we would love to welcome some new faces to our committee. Further information is included in the newsletter and you can always have a chat to Karina, Steph or one of us for more information.

We look forward to sharing the rest of the year with you.

OUR TERM 2 PROGRAM!

Welcome to all our families to Term 2! We have new and exciting times ahead here at Prospect & Enfield Kindergym!!!

So who's ready to learn THE ALPHABET at our new venue at Broadview?

Week 1, we will be having a play and getting to know our new place, week 2 we are closed due to the St Philip's Fete but then every 2 weeks until the end of the term, we will be doing a bunch of letters from the alphabet and doing activities around those letters.

Also each week, we will be singing the Alphabet song as repetition is the key to learning.

We will be going through our new rules and routines at our new venue too so please encourage your Kindergymmer to join in everything we do at Kindergym.

So much to do..... We hope you have lots of fun with us!

NEW VENUE, NEW ROUTINE

At our new venue, we have a great opportunity to change things up a bit to maximize the full use of our 45min Kindergym sessions. When you arrive at the foyer, can you please make sure that you and your Kindergymmers are completely ready to come into our Kindergym space by 9:30am, 10:30am or 11:30am (including shoes and socks off - the foyer is carpeted) for your session.

Once Karina opens up the main doors and rings the tambourine, we will all head straight on to the GROUP TIME MAT to do our WARM UP and THEME. Come and see what hand held equipment we will be using this week, please choose 2 items. Children learn by copying so grownups, please do our warm up with us (especially great to warm yourselves up in the winter months).

Please refrain from going on to the equipment during warm up and group time but if you need to, can you please make sure that you play quietly (away from the group time mat) and respect Karina and our other Kindergymmers on the group time mat.

Our new routine -

- Welcome, Warm UP and Theme
- Free Play with Guided Discoveries
- Cool Down
- Parachute
- Goodbye

GROUP TIME AND THE IMPORTANCE OF IT

What is the purpose of Group Time?

Group Time has numerous benefits and adds incredible value to our class community. It is a time to meet together as a large group, to respect each others voices, to practice keeping little bodies in their own space, and to work on following instructions. It is also a time to enjoy one another and to learn about our weekly theme and guided discoveries directly. Sometimes it's even the perfect environment to learn a new skill.

Children learn from repetition learning and from following others. This is also a great way for Grown-ups to interact and have fun with their Kindergymmer too, learning by following.

When you hear the tambourine, please make it a big deal and come over, engage with your child to see what we are doing next and if they don't want to stay, that is fine but please play quietly on the equipment in a respectful manner.

Volunteer Management Committee

May 21st – 27th is National Volunteer Week

Without volunteers our wonderful kindergym would not be able to operate. Due to the enthusiasm and dedication of our volunteer committee members your children have the opportunity to attend a community focused program where they can develop valuable skills in a fun and exciting way. A big thank you to those who have volunteered to help keep our community kindergym running. It may have been volunteering time or donating money. It doesn't matter if you are able to volunteer a lot or a little, everything adds up and is always greatly appreciated. THANK YOU!

Would you like to join our committee as an office bearer or committee member?

We need your help! Now is an exciting time to join our volunteer management committee. The move to St Philip's hall will allow for expansion of our club. If you have any ideas, or you are passionate about helping our club move forward in a new direction, we would love to have you join the management committee.

Your role can be as big or small as you like. Remember, many hands make light work!

We particularly need help with events planning and fundraising - if you enjoy being creative and have a talent for organising, get in touch with us! Don't forget there are fee discounts available for all committee members.

If you are interested please email pekkindergym@gmail.com, or contact Steph on 0400 293 350. We hope to see you at our next AGM on 15th May.

AGM NOTICE

The Volunteer Management Committee invites you to attend our AGM. This year we will be able to hold the AGM at our new venue so we can look around and see how much we have achieved in the last 12 months.

This will be an opportunity to reflect on our past achievements and set plans in place to keep the club moving forward. You have all helped the club establish a wonderful kindergym community.

Come along to the AGM to celebrate our success and join in the discussion to help our kindergym continue to support your child's social and physical development.

The club's constitution will be put up for review and approval at this meeting. A copy of the proposed constitution is available upon request or in hard copy on the night.
