

KINDERGYM NEWS

THERE'S A LOT TO CELEBRATE!

Our community kindergym has a lot to celebrate! At the recent 2018 Gymnastics South Australia Annual Awards we not only won the Medium Club of the Year award, but Karina was recognised as Kindergym Leader of the Year and Club President Ali was recognised as Volunteer of the Year for Gymnastics for All. Angie was also nominated for Kindergym Leader of the Year! We are proud to be recognised for the work we do in providing a high quality program for the youngest members of our community.

We are also celebrating the support we receive from the local community. In Term 1 new lighting was installed in the hall with a grant from City of Prospect and the help of the St Philip's parish. We also received a \$1000 sponsorship from National Pharmacies and Optical Northpark and our Easter raffle was our most successful one yet with PEKG families donating many beautiful prizes and helping to sell lots of tickets!

Finally, we will be celebrating our club volunteers in National Volunteer Week this month. Our volunteers put in an enormous amount of work behind the scenes in managing PEKG. During the week their efforts will be recognised at an event held by the club and some volunteers will be going to the SANFL football at the invitation of Mayor David O'Loughlin and attending the City of Prospect Volunteer Awards and Recognition Ceremony. Thank you to everyone who helps around the club in a voluntary capacity, whether you're a committee member, selling raffle tickets or simply sharing our social media posts, we appreciate it!

WHERE IS THE GREEN SHEEP?

Welcome to all our new families and a big welcome back to all our regular families for Term 2!

Here is the blue sheep. And here is the red sheep ... But where is the green sheep?

Our theme for this term is the beloved children's book Where is the Green Sheep? by Mem Fox.

Join us as we read through the book and meet all the different friends of that elusive green sheep!

Our aim for the term will be to help our kindergymers with the development of Body Control and Awareness. This will be supported through the term theme, weekly group time songs and the fortnightly guided discoveries (activities).

So much to do and many sheep too... We look forward to having you with us for all the fun!

Karina and Angie

If you would like a place in these sessions, please register your interest with Steph asap. Sessions will go ahead subject to minimum numbers being met.

BARE FEET!

Now we're entering the colder months it's important to remember that Kindergym is done barefoot.

We love bare feet at Kindergym for safety, balance, and grip. We now have heating in the hall and little toes will stay nice and warm!

Volunteer Management Committee

The club is in a good financial position at the moment and we're delighted that there is so much demand for places in our sessions. With our AGM coming up we would love to have some new volunteers to fill committee roles or as general members. We don't have anyone from Babygym on the committee and would love to see this group represented. If you would like to know more about what the management committee does, please speak to Steph, Karina or Angie and they will put you in touch with a committee member.

Facilities/Equipment Officer

We are looking for a handy volunteer to help manage and take care of our facilities and equipment. This role will involve repairs and maintenance of our gym equipment. The person who takes on this role will receive a 50% fee discount. Open to parents, grandparents or other PEKG friends. Please email the committee to find out more.

Don't forget there are fee discounts available for all committee members. Meetings are scheduled for evenings to fit in around our volunteers' work and family commitments. For more information, please email pekindergym@gmail.com, or speak to Steph, Karina or Angie.

A big thank you to Steph's dad Fred who has recently repaired and renovated some of our wooden equipment.

COMMITTEE MEMBER PROFILE – JENNIFER, TREASURER

Who do you have coming to kindergym and how long have you been a member?

I bring my daughter Chloe to kindergym and she loves it. She's been coming to kindergym her whole life, firstly attending with her older brother (in the baby sling or sitting on the floor), then she moved on to Babygym and now she attends kindergym sessions. She is looking forward to starting JuniorGym soon. I've been a member with one or both children for over 5 years.

What do you like about kindergym?

As we are both working parents we have limited time to take our children to activities. I find that kindergym 'ticks most of the boxes' when looking for pre-school activities - exercise (burning off all that energy!), developing gross motor skills, dancing, singing and social interaction. It is also a great place for caregivers to have social time too.

What does your role on the committee involve and why do you volunteer?

I work in the accounting/finance field so I decided to volunteer for the Treasurer role just over 3 years ago. I'm able to use my existing skills and knowledge to help the kindergym and I have also learned some new skills as well. Some of those skills I can use in my day job and the other skills I have learned are just for fun! It is a little hard sometimes to manage work, raising a family and attending to my volunteer role but I feel that I get a lot out of it both personally and professionally – my family are all the better for it!

**THE
NAPPY
COLLECTIVE**

From 10 to 24 May, The Nappy Collective will run its national campaign to collect leftover, unused, disposable nappies and divert them to families in crisis. We are pleased to be participating as an official drop point and hope the kindergym community will help support The Nappy Collective.
